Fine Art & Large Format Printing

Freshwater Studio Ltd specializes in working with Artists and Photographers to reproduce their work to the highest possible standards.

We use state of the art equipment, the Epson Stylus Pro 9800 and the UltraChrome K3 Pigmented ink set together with the finest papers & canvas available to give our prints an expected life of 75 to 180 years.

Our services include:

- ➔ Reproduction of fine artwork from originals, film photographs of originals, or digital files of the original.
- ➔ Artwork originating as a digital file, including all forms of digital art.
- ➔ Photography, including film scanning and giclée printing of digitally captured or manipulated files.
- ➔ Color matching to our clients supplied proof or original artwork to ensure the best possible color fidelity.
- ➔ Our capabilities include: 8" x 10" to 40" x 60" prints (up to 44" x 100'). We print directly on Fine Art paper, Watercolor paper, Canvas and Glossy, Luster & Matte Photo papers as well as other special materials.
- ➔ Framing – We also offer custom framing to protect and display our client's images.
